

ALL I CAN DO IS TRUST YOU

1. Sometimes we walk, sometimes we run
Smile at the wind, face to the sun
But other times we wilt and fall
Try to stand, only to crawl

Eyes downcast, Spirit renew this hopeless heart
All I can do is trust You

2. Since I've seen the sun, it's been a while
When was the last time I really smiled?
The peace of You seems choked inside
A withered will, a dying mind

Eyes downcast, Spirit renew this hopeless heart
All I can do is trust You

*Storms rage above me, my eyes are blind
I'm drowning in darkness, fear what I may find
But deep in my soul I know I'm not alone
And eventually You will lead me home*

3. Sometimes we walk, sometimes we run
Smile at the wind, face to the sun
But in those times when you fall
Stay on your knees and softly call

With eyes downcast, 'Spirit renew this hopeful heart
All I can do is trust You'

*'Trust and obey for there's no other way'
The words of that hymn ring so true
I am trusting in You
For the promise that You will never leave us
And all we must do is trust You.*

Eyes downcast, Spirit renew this willing heart
All I can do is trust You
